

International Women's day

Tuesday 8th of March 2022

On Tuesday 8th of March 2022, we will be celebrating International Women's day here at Winston Way. As part of this, we would like children to either compose a short video or a short piece of writing highlighting a female role model in their lives. It should include the positive qualities/strengths that their chosen woman possesses and what they admire most about them. **Entries should be submitted to their class teacher by Tuesday 1st of March 2022.**

Video entries can be submitted via twitter by posting the video and tagging '@MissOdumosu'. There will be a prize given to the child/children (to present to their role model) who gives the most compelling entry!

We will also be having Geraldine Maclaine, founder of The Old Protectors scheme in Redbridge, come and talk to the children about her work in the community.
